Trumbull Building Department Building Permit Procedure

Bring completed Building Permit Application along with blank Building Permit Sign-off Sheet along with Construction Documents to the Building Department. The Building Department will check off which Sign-off Signatures are required to obtain a permit.

After obtaining the necessary sign-offs, return all documents to the Building Department, along with the Contractor's State Registration number and Certificate of insurance.

The Building Department has thirty days to review all plans.

A minimum of twenty-four hours' notice is required for scheduling of Inspections. All work must be complete before inspection request will be accepted. Call (203) 452-5020 to schedule inspections.

A Completed C.O. Approval Sheet must be signed off by the same Departments that were necessary to obtain a Permit before a final inspection will be scheduled.
