Item No.	Description	Committee Action
1. CS29.001	REVIEW; Comparison with other cities of existing fees being charged 08/04/14 – Submitted by Mayor Martin	Report Made & Held in Committee

Jim Hricay described the work the administration has been doing. He distributed a compilation of fees charged by the City and when they were last changed and a comparison to other communities in the area. They will have to determine what the impact would be of any changes to fees, both to residents and the City. The City has compared their benchmarks to other communities.

The Committee discussed various ways to increase revenue, what to evaluate based on this report, the role of the committee, and the additional information they need from Jim Hricay.

Respectfully submitted,

Frank Cerasoli
