Item No.	Description	Committee Action
1. E29.013	REVIEW; Requirement of Child Care Facilities to File Reports with the Superintendent of Schools. 07/09/14 – Submitted by Rep. Quinones	Report Made & Held in Committee

Rep. Quinones reviewed a Draft Copy of a proposed Ordinance “Requiring Child Care Facilities to File Reports with the Superintendent of the Stamford Public Schools”. Item II will be removed. Mr. Toma shared results of research on the topic which he had done at the State level. He stressed the importance of not identifying the students. He was of the opinion that Section I Items a-g were okay legally. State Statute defines the term “facility”. At the present time, Child Care vs. Education is clearly defined. Discussion and questions followed. It was agreed that Representatives from the Board of Education be invited to the next Education Committee meeting in order to update the Board and in order to receive further input.

2. E29.014	REVIEW; Student Advisory Council 2014-15. 08/06/14 – Submitted by Rep. Savage	Report Made & Held in Committee

Copies of “Topics of High Interest for Discussion” that were shared by the students of the Student Advisory Council were distributed. A Student Presentation to the Board of Education was discussed. Two possible dates: September 30th or October 28th for this presentation. This item will be on the Agenda for the September meeting. Pending Steering Committee approval, the next meeting will take place on Wednesday, September 17th. The SAC will meet at 6:00pm and the Education Committee meeting will follow at 7:00pm.

Chair Savage adjourned the meeting at 7:55 p.m.
