**To:** Rosenson, Valerie; Lgilden@StamfordCT.gov.  
**Subject:** TAXES

Understand our Mayor is looking to increase taxes by 5% again next year.

He did so last year too and my taxes went up by 29 %.....

I have already appealed last years result and if you are going to increase my taxes again i will be forced to hire a lawyer to protect me .

This is completely out of control.
