Memorandum

To: Board of Finance / Board of Representatives
From: Lucy F. Corelli and Ron Malloy, Registrars of Voters
Date: March 8, 2016
Re: Registrars of Voters

The Registrars of Voters office expects the year 2016 – 2017 will be very busy.

We will have a Presidential Preference Primary on April 26th with 22 State Districts. There also could be an additional Primary for State and Federal offices with the same 22 Districts on August 9th. The Presidential Election will occur on November 8th.

The City of Stamford has the third largest number of voters in Connecticut.

New Haven	approximately	70,000
Bridgeport		62,000
Stamford		58,000

We anticipate an increase in registered voters this this year of approximately 4,000. Reviewing the last few Presidential election years this seems to be the correct number. Our office has already been very busy with registrations and party changes in anticipation of the April 26th Presidential Primary. March is only 8 days old and we have already added 389 new voters.

High School Voter Registration:

State statute mandates that the office of the Registrar of Voters conduct High School voter registration. The students must be 18 on or before the November election. We have been to Stamford High School and have appointments at the other three high schools set up in the next two weeks.

We have attached the statistics from July 1, 2015 through March 8, 2016 for your review.

Canvass:

We had 2,177 returns that were either moves from Stamford or local changes of either names or address.

By State law we can't start the 2016 Canvass until after the April 26th Primary which leaves us only 45 days to do the work that normally is done in 90 days. In anticipation of the late starting Canvass we purchased the NCOA list early. This list shows the Stamford changes within the city and also the moves out. We were able to do a substantial amount of work during the months of December and January correcting and updating our files.

July 1, 2015 through March 8, 2016

New Voters:	Voters removed:
2,869	2,620

*These figures do not include voters that have made changes to their party or home addresses.

Online Voter Registration:

Stamford has been one of the most successful cities in the State for registering voters on line. This system is also available to the voter for changes of addresses and party. The City of Stamford web site has had the link to voterregistration.ct.gov. We believe this link has been a great tool for our voters.

Election Day Voter Registration:

We have successfully implemented Election Day Registration. Due to change in State Laws, for this Presidential Election EDR will apply to most of the voters who previously voted by Presidential Ballot. We anticipate a VERY high turnout of Election Day Registrations in spite of our efforts to inform perspective voters of our efforts to register voters every day.

Education and Training:

During the last State Legislative session law was passed that mandated Connecticut Registrars of Voters attend and pass twelve courses of Continuing Education at UCONN. We have now attended three sessions and are scheduled to attend a fourth later in March.

We attend the ROVAC Conventions twice a year. These conventions provide us with many hours of training and updated voter information.

The Fairfield County ROVAC also has meetings on a quarterly basis which we attend.
