*Routes can earn between \$1,300-1,600 per week

PUBLIC NOTICES

YEAR 47 PUBLIC HEARING COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) HOME INVESTMENT PARTNERSHIPS PROGRAM (HOME) JULY 1, 2021 - JUNE 30, 2022

Within the context of the U.S. Dept. of Housing and Urban Development's (HUD) objective for the development of viable urban communities, the City of Stamford has established the following goal for the utilization of HUD funds: to provide expanded housing and economic opportunities for low income individuals residing in Stamford, and improve public services and public facilities servicing this population and the low income neighborhoods of Stamford.

Written proposals for YEAR 47 funding are due at the Stamford Community Development Office (SCD) on or before Thursday, January 14, 2021. All applicants must present their proposals at the Virtual Public Hearing on Monday, January 25, 2021.

The Mayor and the Housing, Community Development and Social Services Committee (HCD/SS) of the Board of Representatives will hear suggestions on how HUD funds should be spent at a Virtual Public Hearing to be held on Monday, January 25, 2021 in the Board of Representatives' Chambers, 4th floor, Stamford Government Center, 888 Washington Blvd. at 6:00 P.M.

The purpose of the hearing is to hear comments on the needs of the City of Stamford for housing, economic development, public improvements and public services for low income residents; review the CDBG legislation including regulations concerning eligible activities; receive citizen comments on the Community Development Plan, Citizen Participation Plan, CDBG/HOME performance, and suggestions for the use of HUD funds. Agencies and individuals must present their proposals for the use of CDBG funds for which they have submitted an application to the Stamford Community Development Office, by the deadline to submit applications for CDBG funds, Thursday, January 14, 2021 to tpetrocelli@stamfordct.gov.

All the above mentioned documents may be obtained via the city's Community Development website, <https://www.stamfordct.gov/community-development-office>

All pertinent information also will be on file at the Ferguson Library, Town Clerk's Office, the Board of Representatives Office and at www.stamfordct.gov. In addition, CDBG application documents may be obtained electronically by making a request to Tara Petrocelli at tpetrocelli@stamfordct.org. Prior to submission of proposals, all applicants are encouraged to reach out to Community Development staff for guidance in preparing their proposals. For further information contact Tara Petrocelli at 203-977-4053, but best to email tpetrocelli@stamfordct.org.

Old & new 203-889-6856

What should I do when the power comes back on?

Throw out unsafe food.

- ❑ Throw away any food that has been exposed to temperatures 40° F (4° C) for 2 hours or more or that has an unusual odor, color or texture. When in doubt, throw it out!
- ❑ Never taste food or rely on appearance or odor to determine its safety. Some foods may look and smell fine, but if they have been at room temperature too long, bacteria causing food-borne illnesses can start growing quickly. Some types of bacteria produce toxins that cannot be destroyed by cooking.
- ❑ If food in the freezer is colder than 40° F and has ice crystals on it, you can refreeze it.
- ❑ If you are not sure food is cold enough, take its temperature with the food thermometer. Throw out any foods (meat, poultry, fish, eggs and leftovers) that have been exposed to temperatures higher than 40° F (4° C) for 2 hours or more, and any food that has an unusual odor, color or texture, or feels warm to touch.
