**RE: Charter Section C6-40-9 Petition Opposing Text Amendment to Amend Section 9.BBB of the Stamford Zoning Regulations (C-D Designed Commercial District) - File #217-01**

Dear Chairman Mills and Members of the Zoning Board:

On May 22, 2018, the Zoning Board of the City of Stamford approved, as modified, Application 217-01 (the "Application") to amend Article III, Section 9.BBB of the Stamford Zoning Regulations (C-D Designed Commercial District) to allow adaptive reuse and/or redevelopment of existing office parks with Gymnasium or Physical Culture Establishments in all C-D Districts.

A legal notice announcing the approval as modified of the above-referenced Application was published in the May 25, 2018 edition of the Stamford "Advocate."

The owners of property within 500 feet of the area included in the approved-as-modified Application oppose and protest against the text amendment to allow adaptive reuse and/or redevelopment for Gymnasium or Physical Culture Establishments in the C-D Districts. The approved-as-modified text change is incompatible with the residential neighborhoods surrounding the C-D Districts; is contrary to the Master Plan; and is contrary to the Stamford Planning Board's unanimous decision denying the Application on the grounds that, among things, no outdoor uses should be permitted in Gymnasium or Physical Culture Establishments in C-D Districts.

Pursuant to Section C6-40-9 of the Charter for the City of Stamford, attached are Petitions signed by more than 190 owners of privately-owned property located within 500 feet of the areas included in the approved-as-modified Application opposing and protesting against the aforementioned change in the Zoning Regulations for the C-D Districts. (See Exhibit 1.) It is my understanding that the Land Use Bureau may take the position that 300 signatures of landowners anywhere in the City of Stamford are required. While we strongly disagree with such a position as contrary to the Charter and controlling case law, and reserve all of our rights and remedies, in an abundance of caution, attached are Petitions signed by more than 110 additional landowners in Stamford. (See Exhibit 2.)

RECEIVED  
JUN - 4 2018  
ZONING BOARD

*Handwritten mark*

In support of the Petitions I have also attached 500 foot abutters' lists and maps prepared by the City of Stamford's Tax Assessor's Office. The abutters' lists are based on the borders for each of the City's C-D Districts. (See Exhibit 3.)

Sincerely,

A handwritten signature in black ink, appearing to read "Hank Cuthbertson", with a horizontal line extending to the right from the end of the signature.
