Hi Valerie,

Can you please add the representatives for District 3 in this email? The Wheel restaurant is actually across the East Branch.

Margaret, sorry that you have been experiencing this! I also believe I can hear the music from where I'm at further down in Shippan.

Let's see if those representatives (Rodney Pratt & Elise Coleman) have had any interaction with The Wheel about this issue and start there.

Best,

Bradley

Dear Stamford Board of Representatives,  
I am a resident at Harbor House located at 43 Harbor Dr. in Stamford (District 1). This condominium building sits across the marina from The Wheel Restaurant which recently opened at 4 Star Point (District 3). The residents at Harbor House are very upset about loud music being played by The Wheel Restaurant on Friday, Saturday, Sunday and holidays. We are gathering names and signatures on a petition to present to the City Council to request action be taken by The Wheel Restaurant to reduce or eliminate music being played, in order to preserve the peace and quiet enjoyment of Harbor House residents.

Can you please assist me in this process? Thanks!

Best,

Margaret O'Shaughnessy
