Please see the message below from Chair Lee -

Dear Colleagues,

Further to the hold of the rule change last month, I have prepared some clarifying language that should resolve the concerns that had been raised. Please see the below (new text underlined):

Article V.E.1.b

"Members of the Board of Representatives must be present at said meeting to vote. No member shall be permitted to vote by email, text or telephone call to any other member, provided, however, that nothing herein shall prohibit a member from assisting another member in making their voice heard (e.g., by means of putting such member on speaker-phone or conference line).

Best regards,

Ben
