Dear Mr. Pia & Mr. de la Cruz:

I have received your letter seeking clarification regarding the Mill River Collaborative's financial participation in the rehabilitation of the West Main Street Bridge.

The Mill River Collaborative secured a grant of \$2 million from the State of Connecticut - DEEP to assist the City of Stamford in the rehabilitation of the West Main Street Bridge. The City will receive no less than the \$2 million but the Collaborative does not anticipate making any additional financial contributions to this project beyond the proceeds of the grant.

If you have any further questions, please feel free to contact me.

Regards,

Dudley N. Williams, Jr.  
President & CEO  
Mill River Park Collaborative
