- (a) General Provisions. The Director of Operations shall be responsible for administering and supervising the enforcement of this Ordinance.

The Anti-Blight Officer shall enforce the provisions of this section and any rules or regulations promulgated under this section. The Anti-Blight Officer

may initiate inspections and investigations of blight and shall receive information and complaints concerning violations of this section. The Anti-Blight Officer shall determine violations of this section; may order the owner of the Blighted Property to abate such violations, issue citations and penalties for violations of this section; and may effectuate the removal or abatement of the blight condition under the procedures set forth in this section. The Anti-Blight Officer shall provide the Director of Public Safety, Health and Welfare with monthly written status reports indicating the number of complaints, the violations identified, active and closed cases and other information as requested by the Director.

- (b) Notice of Violation. The Anti-Blight Officer shall serve a written notice to an owner of the Blighted Property of the violation(s) of this section by personal in-hand service or by mailing such notice by regular mail to the owner's last-known address on file with the tax collector. If the person to whom such notice is issued is a registrant, the municipality may deliver such notice in accordance with Section 7-148ii [of the Connecticut General Statutes], provided nothing in this section shall preclude a municipality from providing notice in another manner permitted by applicable law. The failure of the owner to receive the Notice of Violation shall not affect the validity of the service.

The Notice of Violation shall:

- (1) Describe the blighted conditions that violate this section and direct the owner to remove, correct, or abate the violation within seven (7) calendar days from the date of the Notice;
 - (2) Inform the owner that the failure to remove, correct, or abate the violation shall result in the issuance of a citation in accordance with this Ordinance and fines imposed of one hundred dollars (\$100.00) a day for each day that the Blighted Property remains in violation of this article which can be enforceable subsequently as a lien on the owner's property, and which may also be converted into court judgments; and
 - (3) Inform the owner that the failure to remove, correct, or abate the violation may cause the removal or abatement of the violation at the expense of the owner; and
 - (4) Inform the owner that the owner may schedule a resolution conference with the Anti-Blight Officer within seven (7) calendar days from the date of Notice of Violation.
- (c) Imposition of Fine. If the owner fails to remediate the violation within seven (7) calendar days after the Notice of Violation is served, the Anti-Blight Officer shall impose a penalty against the owner of one hundred dollars (\$100.00) for each day that the Blighted Property remains in violation of this article. Each day that the Blighted Property is in violation of this article shall constitute a separate offense and the penalty shall begin to accrue on the eighth (8th) day after the date of the notice of violation and continue to be levied each day

until the violation is corrected and the owner informs the Anti-Blight Officer in writing that the blight violation has been remediated.

All fines imposed for violations of this article shall be paid to a fund maintained by the City of Stamford as set forth in Section 146-53(b).

- (d) Citation. If the owner fails to remediate the violation within seven (7) calendar days from the date of the Notice of Violation, as provided in Section 146-47(b) above, the Anti-Blight Officer shall serve a written civil citation upon the owner of the premises by personal, in-hand service or by mailing such citation to the owner's last-known address on file with the tax collector. If the person to whom such notice is issued is a registrant, the municipality may deliver such notice in accordance with Section 7-148ii [of the Connecticut General Statutes], provided nothing in this section shall preclude a municipality from providing notice in another manner permitted by applicable law. The failure of the owner to receive the Citation shall not affect the validity of the service.

The citation shall inform the owner:

- (1) Of the allegations against said person and the amount of the fines, penalties, costs or fees due.
- (2) That the fines, penalties, costs or fees will continue to accrue on a daily basis until the owner remediates the blight violation and provides written notice to the Anti-Blight Officer that the blight violation is remediated.
- (3) That said person may contest his or her liability before the Blight Hearing Committee by delivering, in person or by first class mail, written notice to the Anti-Blight Officer within ten (10) days of the date of notice.
- (4) That if said person does not demand such a hearing, an assessment and judgment shall be entered against him.
- (5) That such judgment may issue without further notice.
- (6) That any unpaid fine imposed pursuant to the provisions of this shall constitute a lien upon the property against which the penalty was imposed from the date of such penalty. Each such lien may be continued, recorded and released in the manner provided by the general statutes for continuing, recording and releasing property tax liens and may be enforced in the same manner as property tax liens, including enforcement by foreclosure.

Sec. 146-48. Citation Hearings Before the Blight Hearing Committee.

- (a) Appointment of Blight Hearing Committee. The Mayor shall appoint the Chairperson of the Police Commission or his or her designee, the Chairperson of the Fire Commission or his or her designee, the Chairperson of the Zoning Board or his or her designee, the Chairperson of the Health Commission or his or her designee, and the President of the Board of Representatives or his or her designee to comprise the Blight Hearing Committee, which Committee shall conduct citation hearings for violations of this section. However, in no event may a hearing officer sitting on this

Committee be police officers or employees of the City of Stamford or persons who issue citations. Said officers shall serve for terms of two years and shall be empowered to hear appeals from issuance of citations as provided herein.

(b) Notice of hearing; notice of violation retained.

- (1) Any person who requests a hearing shall be given written notice of the date, time and place for the hearing. Such hearing shall be held not less than fifteen (15) days nor more than thirty (30) days from the date of the mailing of notice, provided that the chairman of the Blight Hearing Committee shall grant upon good cause shown any reasonable request by any interested party for postponement or continuance.
- (2) An original or certified copy of the initial notice of violation issued by the Anti-Blight Officer shall be filed and retained by the municipality and shall be deemed to be a business record within the scope of Section 52-180 of the Connecticut General Statutes and evidence of the facts contained therein.

(c) Admission of liability; failure to respond; fines assessed.

- (1) If any person cited pursuant to this article wishes to admit liability for any alleged violation, said person may, without requesting a hearing, pay the full amount of the fines, penalties, costs or fees admitted to in person or by mail to an official designated by the city. Said payment shall be inadmissible in any proceeding, civil or criminal, to establish the conduct of such person or other person making the payment.
- (2) Any person cited pursuant to this article who does not deliver or mail written demand for a hearing in accordance with Section 146-47(d) above shall be deemed to have admitted liability, and the Anti-Blight Officer shall certify such person's failure to request a hearing to the Blight Hearing Committee.
- (3) The Blight Hearing Committee shall thereupon enter and assess the fines, penalties, costs or fees provided for by the applicable ordinances and shall follow the procedures set forth in Subsection 146-48(d)(6) of this article.

(d) Hearing procedure.

- (1) The presence of the Anti-Blight Officer shall be required at the hearing, if such person who was cited so requests.
- (2) A person wishing to contest his or her liability shall appear at the hearing and may present evidence on his or her behalf. A designated city official, other than member of the Blight Hearing Committee, may present evidence on behalf of the City of Stamford.
- (3) If the person cited fails to appear, the Blight Hearing Committee may enter an assessment by default against said individual upon a finding of proper notice and liability under the applicable ordinance or regulation. Before the time and date of the hearing, the Blight Hearing Committee may accept

from the cited individual copies of police reports, investigatory and citation reports and other official documents by mail and may determine thereby that the appearance of such person is unnecessary and find in favor of such person.

- (4) The hearing procedure shall be taken under oath or affirmation. In considering an appeal, the standard of proof shall be by preponderance of the evidence. The Blight Hearing Committee shall consider all facts and circumstances that said Committee deems to be relevant. All evidence and testimony must be presented at the time of said hearing; no other testimony or evidence shall be considered.
- (5) The Blight Hearing Committee shall announce its decision at the end of the hearing and shall issue a written decision within five days after the conclusion of the hearing. If the Blight Hearing Committee determines that the person is not liable, it shall dismiss the matter and enter its determination, in writing, accordingly. If the Committee determines that the person is liable for the violation, it shall forthwith enter, in writing, its determination and an assessment of the fines, penalties, costs or fees against such person as provided for in this article.
- (6) If such assessment is not paid on the date of its entry, the Blight Hearing Committee shall send by first class mail a notice of the assessment to the person found liable and shall file, not less than thirty days or more than twelve months after such mailing, a certified copy of the notice of assessment with the clerk of a superior court facility designated by the Chief Court Administrator together with an entry fee of eight dollars. The certified copy of the notice of assessment shall constitute a record of assessment. Within such twelve-month period, assessments against the same person may be accrued and filed as one record of assessment. The clerk shall enter judgment, in the amount of such record of assessment and court costs of eight dollars, against such person in favor of the municipality. Notwithstanding any provision of the general statutes, the hearing officer's assessment, when so entered as a judgment, shall have the effect of a civil money judgment and a levy of execution on such judgment may issue without further notice to such person.
- (7) A person against whom an assessment has been entered pursuant to this section is entitled to judicial review by way of appeal. An appeal shall be instituted within thirty days of the mailing of notice of such assessment by filing a petition to reopen assessment, together with an entry fee in an amount equal to the entry fee for a small claims case pursuant to Section 52-259 of the Connecticut General Statutes, at a superior court facility designated by the Chief Court Administrator, which shall entitle such person to a hearing in accordance with the rules of the judges of the Superior Court.

Sec. 146-49. Resolution Conference.

Within seven (7) days of the date of the Notice of Violation by the owner of a property, the owner may request a resolution conference with the Anti-Blight Officer. The purpose of the resolution conference is to determine whether the owner is willing and able to remediate the Blighted Property.

Neither the request for, nor the scheduling of a resolution conference shall toll or abate the service of a civil citation upon the owner in accordance with Section 146-47(d) or the imposition of fines.

However, at the resolution conference, and except in cases involving a public health danger, the property owner may request an extension of time to complete the remediation. The Anti-Blight Officer may grant this request in his or her sole discretion and so notify the owner of the extension in writing. If the owner completes remediation within the time granted by the Anti-Blight Officer, the Anti-Blight Officer shall waive all fines imposed.

Sec. 146-50. Remedial action authorized.

- (a) Remediation by City with Permission of Owner. A property owner may request that the City of Stamford, its employees, agents, or servants, including independent contractors hired by the City of Stamford, enter upon his or her property to remediate the blight violation(s). The Director of Operations may grant or deny the request in the Director's sole discretion.

If the Director of Operations grants the request, then prior to the entry of the Anti-Blight Officer and/or other city employees upon the owner's property, the property owner must agree in writing to the date(s), time, location and nature of the remediation and release the City of Stamford, its employees, agents, and servants, including independent contractors hired by the City of Stamford, from liability for any injury or harm caused by the remediation or the entry onto the property.

- (b) Remediation by City for Public Health Danger. Upon the failure, neglect, or refusal of any owner to remediate violations that are dangerous to the public health, safety, or welfare within seven (7) calendar days from the date of the Notice of Violation, the city may cause such remediation by city employees, agents or an independent contractor engaged by the city.
- (c) Remediation by Court Order. In all cases where an owner has failed to remediate the blight violation(s) within seven (7) calendar days from the date of the Notice of Violation, the city may seek a court order allowing such remediation by city employees, agents or an independent contractor engaged by the city.
- (d) Use of Funds for Remediation under this Section. Where an owner has given permission to the city to remediate violations, or where the city undertakes remediation of violations that are dangerous to the public health, safety, or welfare, or where the city has received a court order, the Director of Operations may assign city employees to remedy the blighted condition(s) if staffing levels are sufficient to do so without causing disruption to other city business. If the Director of Operations does not so assign city employees to

remedy the blighted condition(s), then said Director may consult with the Director of Administration regarding whether funds for taking remedial action are available in the account described in Subsection 146-53(c). If adequate funds are available in said account, the Director of Operations may use these funds to take, or cause to be taken, action to remedy the blighted condition. If adequate funds are not available in said account, the Director of Operations may take, or cause to be taken, action to remedy the blighted condition if said Director deems it appropriate to utilize funds from a different account. If funds for taking remedial action are so used, the owner will be responsible for reimbursing the city for the cost of the remediation, as set forth below.

- (e) **Owner's Responsibility to Pay for Remediation/Penalty.** Upon completion of any remediation of blight violations by the city, its employees, agents, servants, or independent contractors hired by the City of Stamford under this section, the Director of Operations or his/her designee shall determine the cost of the remediation and shall bill the owner therefor. The owner shall be responsible to pay a penalty to the city in the amount of the cost of the remediation. Upon the failure of the owner to pay the city the cost of the remediation within thirty (30) days from the date of such bill, the director or his/her designee shall cause to be recorded on the land records of the city a sworn statement detailing the cost and expense incurred for the abatement work, the date the work was done, and the location of the property upon which the work was done. The recordation of the sworn statement shall constitute a lien on the property. The Director of Operations, in his sole discretion, may grant the owner additional time, greater than thirty (30) days from the date of such bill, to pay the penalty.

Sec. 146-51. Blight liens authorized.

The Anti-Blight Officer is hereby authorized, in accordance with the provisions of Section 7-148aa of the Connecticut General Statutes and this article, to place a lien on any and all Blighted Property as security for any unpaid penalty or fine on behalf of the city. Each such lien may be continued, recorded and released in the manner provided by the general statutes for continuing, recording and releasing property tax liens and may be enforced in the same manner as property tax liens, including enforcement by foreclosure.

Sec. 146-51.1. Waiver of Liens and Penalties.

Prior to the commencement of litigation, and subject to the review of the Director of Operations, the Anti-Blight Officer may waive and release said penalties and liens in the event the city acquires the property; or at the time of the owner's sale of the Blighted Property to a bona fide third party purchaser if, in his or her opinion, the buyer has the financial ability and the intention to immediately rehabilitate the Blighted Property; or hold all penalties and liens in abeyance until all rehabilitation is completed. Subsequent to the commencement of litigation, the Corporation Counsel for the City of Stamford shall have the authority to compromise, waive and release said penalties and liens in his or her sole discretion.

Sec. 146-52. City acquisition of abandoned blighted properties.

The Anti-Blight Officer is authorized to take the necessary steps to acquire the Blighted Properties which have been certified by the Building Official to be abandoned pursuant to the Urban Homesteading Act, Connecticut General Statutes Sections 8-169(o), et seq., as it may be amended from time to time. The Anti-Blight Officer is further authorized to take necessary steps to acquire Blighted Properties, provided there are funds available, using other state and federal means as they may be available.

Sec. 146-53. Administrative responsibilities.

- (a) The Director of Operations may prescribe administrative procedures for the purpose of implementing the provisions of this article.
- (b) All funds collected by the Anti-Blight Officer shall be deposited into a continuing account dedicated for the expenses of the municipality related to the enforcement and administration (i.e. legal fees, court costs, service of process, Anti-Blight Officer's stipend, mailing, copying costs, etc.) of ordinances regulating blight and state and local health, housing and safety codes and regulations, including expenses related to community police, and the remediation of blighted conditions, when authorized. The account shall be administered by the Director of Administration.
