RE: **Fee Increase for Park Permits – Resident and Out of Town Residents**

For your information the Parks & Recreation Commission voted to recommend an increase of the Out of Town Resident Beach Pass to \$50 from the current \$20 at their November 19, 2014 meeting. The purpose of this fee increase was to alleviate the crowding at our beach facilities and not as a means of increasing revenue. We also voted to recommend an annual fee for non-residents to \$500 per season for 7 days per week. These recommendations have not been proposed for whatever reason.

Whereas, increasing the \$20 Permit Fee to \$30 for residents and increasing the \$7 senior fee to \$15 is clearly a revenue producing act, please be advised that the Parks & Recreation Commission at their March 18, 2015 meeting voted unanimously against these proposed fee increases.
