Section 175-1-1: Parking in Parks and Recreational Facilities: Permits.

(a) During the period from May 1 through September 30, inclusive, no person shall park any motor vehicle within the limits of any City park or recreational facility officially designated by the Parks and Recreation Commission and Office of Operations as "permit parking only," except vehicles belonging to authorized employees of the City of Stamford on official business, or as otherwise permitted by the Parks and Recreation Commission and Office of Operations, unless such motor vehicle displays a Parks and Recreation parking permit duly issued to such vehicle by the City.

(d) Any person who violates subsection (a) of this section shall pay the then-current fine provided in the Code of Ordinances for parking in a municipal parking lot without a permit, and a new violation shall be deemed to have occurred each twenty-four hour period that the vehicle remains parked in violation thereof.
