Jim,

The Board of Representatives does not need to approve the placement of the "Permit Parking Only" signs at the Czescik Park overflow parking lot by the Parks and Rec Commission and the Director of Operations.

The Regulations of the Parks and Recreation Commission authorize the Commission and the Office Operations to designate a city park or recreational facility as "permit parking only." *Regulations of the Parks and Recreation Commission*, 175-1-1(a). In accordance with Stamford Code of Ordinances Sec. 231-3, this regulation has been approved by resolution of the Boards of Representatives. See, Stamford Board of Representatives Resolution No. 3889, April 2, 2018; See also, *Stamford Board of Representatives Resolution* No. 3431, April 4, 2011. Consequently, the provision has the force and effect of law. *Stamford Code of Ordinances* Sec. 175-1.

If you have any questions or concerns, please feel free to contact me.
