2. PS31.057 **REVIEW**; grant approved by the Board of Representatives one year ago for the geo spatial air pollution truck (GMAP) approved for the South and West end of Stamford where the life expectancy (according to a Stamford Hospital study) is eight years less than that of a north Stamford resident. The same disparity in health is found in asthma rates from the North to South sides. The air monitors that are currently in place only monitor particles. The trucks cover toxins, gases, and pollutants other than just particles.
