# **Committee Report**

**Date:** Tuesday, November 22, 2022  
**Time:** 6:30 p.m.  
**Place:** *This meeting was held remotely*

The Transportation Committee met as indicated above. In attendance were Chair Watkins, Vice Chair Adams, and Committee Member Reps. Di Costanzo, Grunberger, and Moore. Excused were Reps. Gilbride and Sandford. Also present was Frank Petise, Transportation, Traffic, and Parking Bureau Chief.

Chair Watkins called the meeting to order at 6:35 p.m.

<b>Item No.</b>	<b>Description</b>	<b>Committee Action</b>
1. <a href="#">T31.017</a>	RESOLUTION <u>and public hearing</u> ; Establishing a Parking Meter Zone on Harbor View Avenue on the East and West Sides of the Road from Jefferson Street to Pumping Station Road. 10/05/22 – Submitted by Frank Petise 10/18/22 – Approved by Committee for Public Hearing 6-0-0	Approved 5-0-0

Chair Watkins opened the public hearing. Kieran Edmondson spoke in favor of the proposed resolution. There being no further speakers, the public hearing was closed.

Mr. Petise showed renderings of the [existing parking conditions](#) and [proposed parking meter zone](#). He noted that it is labor intensive to enforce time zones without meters. Meter zones will also encourage turnover in front of businesses.

Committee members discussed the proposed resolution with Mr. Petise. Items discussed included the following:

- The BOR only has the authority to approve the installation of parking meters, not to create no parking zones
- The parking meter rates were set by the Board of Representatives

A motion to approve Item No. 1 was made, seconded, and approved by unanimous voice vote.

Chair Watkins adjourned the meeting at 6:50 p.m.

Respectfully submitted,  
David Watkins, Chair
