Dear Doug -

Co-Chair Nabel has asked me to request a legal opinion regarding a proposed change to Section IV.E.3.iii. of the Board of Representatives Rules of Procedure. The rule relates to the public comment period at the beginning of the Board meeting and currently specifies that "Speakers may address which has not been subject to a prior public hearing of either the Board or a Board committee. "

Co-Chair Nabel would like a legal opinion as to whether there was any issue raised by allowing people to speak at the Board meeting on a matter that was the subject of a prior public hearing (either legally mandated or not) after the Board has held the legally noticed public hearing.

Please feel free to contact me with any questions.
