Subject: Legal Opinion Re: Commercial Building Permit Fee Exemptions
Date: Tuesday, February 05, 2019 5:28:44 PM

Director Emmett,

Good evening, I write to you in my capacity as Chair of the Operations Committee for the Board of Representatives to request a legal opinion in connection with the above. Specifically, I would like to know what action our Board can take, if any, to exempt non-profits or affordable housing developments from the commercial building permit fee increase recently passed by the full Board during the February 4, 2019 Regular Board Meeting.

Sincerely,

Jonathan Jacobson
