RE: Traffic Engineer

A blue ink handwritten signature, appearing to be 'Jim Travers', written over the 'FROM:' line of the email header.

All,

It is my pleasure to announce that Garrett Bolella, PE will be joining our team as a Traffic Engineer in the Transportation, Traffic and Parking Bureau on August 22, 2017.

Garrett is a resident of Stamford and received his Masters in Civil Engineering, Transportation & Urban Planning from the University of Connecticut. He currently works at a consulting firm in New York where he oversees numerous projects for the municipal and private sector.

Garrett comes highly recommended by individuals whom I hold in high regard, including Professor Garrick at UCONN.

Please join me in welcoming Garrett to our team.
