RE: **Traffic Signal Modernization,
Project No. 135-337
February 22, 2018 - PUBLIC INFORMATION MEETING**

Dear Sir/Madam:

Attached is a copy of the Legal Notice and a Display Advertisement to be published in the Advocate for the **TRAFFIC SIGNAL MODERNIZATION PROJECT**. The proposed project will replace existing OLD Traffic Signal Equipment at six intersections to improve traffic safety and operation. The estimated total project cost including contingencies and inspection is three million (\$3,000,000) dollars. The Congestion Mitigation and Air Quality Program (CMAQ) will fund 100% of this project.

The **Public Information Meeting will be held at 7:00 P.M. on THURSDAY, FEBRUARY 22, 2018 and THE SNOW DATE IS FEBRUARY 23, in the Stamford Government Center Cafeteria** located on the 4th Floor of 888 Washington Boulevard, Stamford.

The meeting place is accessible to the physically impaired. Anyone interested in reviewing the preliminary design plans may do so by contacting me at (203) 977-5675. If you need any information please feel free to contact me. Thank You.

Sincerely,

Veera Karukonda
Signal Systems Engineer

LEGAL NOTICE
TRAFFIC SIGNAL MODERNIZATION
STATE PROJECT No. 135-337

In accordance with the Policy on Public Involvement/ Public Information Meeting for the City initiated & Federal Funded projects, the City of Stamford will hold a Public Information Meeting at 7:00 P.M. on **THURSDAY, FEBRUARY 22, 2018**, related to the **TRAFFIC SIGNAL MODERNIZATION PROJECT**. The project will replace existing OLD Traffic Signal equipment to improve for reliable traffic safety and operation. The estimated project cost including contingencies and inspection is three million dollars. This project is 100% federally funded under Congestion Mitigation and Air Quality Program.

The Public Information Meeting will be held at 7:00 P.M. on THURSDAY, FEBRUARY 22, 2018 in the Stamford Government Center Cafeteria located on the 4th Floor of 888 Washington Boulevard, Stamford. The meeting place is accessible to the physically impaired.

Anyone interested in reviewing the design plans may do so by contacting Mr. Veera Karukonda, Signal Systems Engineer at (203) 977-5675. Design plans are available for public inspection at the City of Stamford, Traffic & Parking Department located on the 7th Floor of 888 Washington Boulevard, Stamford, CT, Monday through Friday, between 8:00 a.m. and 4:00 p.m.

Written statements or exhibits in place of, or in addition to the oral statements made at the Information Meeting may be mailed or delivered to the office of Mr. Veera Karukonda, Signal Systems Engineer, 888 Washington Boulevard, City of Stamford, Stamford, CT 06901 no later than 4:00 p.m. February 20, 2018. Such written comments or exhibits must be reproducible in black and white and on paper not to exceed 8" x 11" in size. These written statements or exhibits will be made part of the Public Information Meeting minutes and will be considered in the same way as oral statements.

Deaf and hearing impaired persons wishing to attend this Public Information Meeting and requiring an interpreter may make arrangements by contacting Ms. Crystal Mitchell at (203) 977-5466 at least five working days prior to the Public Information Meeting.

The City of Stamford, Traffic Engineering staff will be available an hour prior to the Public Information Meeting to answer questions regarding the project. All persons interested are welcome to attend this Public Information Meeting.
