Stamford Leadership;

Below is the summary of Red Cross assistance provided to 5 families (6 Adults 2 Children) displaced by this morning's fire on Finney Ln. I'd like to give a huge shout out to the police officers for assisting with translation services to the clients on-scene, it truly is a team effort to help during these times and their efforts are appreciated.

Thank you for contacting us to be a part of the community response. Over the coming days, our caseworkers will be working with the clients and connecting them with the community resources. We will be sure to connect with the social services and other resources to aid these families with recovery.

Please reach out with any questions you may have.
