22ND BOARD OF REPRESENTATIVES

STAMFORD, CONNECTICUT

A regular monthly meeting of the 22nd Board of Representatives of the City of Stamford was held on Wednesday, November 3, 1993, in the Legislative Chamber of the Board of Representatives, Government Center, 888 Washington Boulevard, Stamford, Connecticut. This meeting was the last scheduled meeting of the 22nd Board of Representatives.

The meeting was called to order at 8:05 p.m. by President Richard L. Lyons after both parties met in Caucus.

INVOCATION was given by the Rev. Dennis R. Winkleblack, Pastor, First United Methodist Church of Stamford, Long Ridge Road & Cross Road, Stamford, CT 06905

"Let us pray. Oh mighty God, whose glory is in all the world and who has given us this good land and fair city for our delight and entrusted to us its stewardship, we command the City of Stamford to your care now in this season of transition of victories and defeats, of happy surprises and disappointing upsets, thanking You for those who have served so faithfully in years past and especially for those whose service will conclude with this 22nd Board of Representatives. As always give, we pray, those who labor this night in the affairs before them a love for truth, a vision that transcends partisanship, a courage to call forth the highest loyalties of all whom they represent and the wisdom and strength to preserve in the face of difficulties and great odds when their cause is just. Amen."

PLEDGE OF ALLEGIANCE TO THE FLAG was led by President Richard L. Lyons.

ROLL CALL was taken by Clerk of the Board Annie M. Summerville.

There were 35 members present and five absent. Absent were Francisco Gaztambide, W. Dennis White (excused), Donald Sherer, Ellen Bromley, and Patrick Mullins.

MOMENTS OF SILENCE: - None.

REP. BOCCUZZI speaking to President Lyons said that he, as the Majority Leader and a member of the Democratic Party and on behalf of the Board, thanked President Lyons for his two years of leadership and for his fairness. Rep. Boccuzzi said the start of the Board was rocky, but with the leadership and thinking of President Lyons, the Board has been a very good one. Rep. Boccuzzi said that there were big shoes to be filled and he hoped and prayed that President Lyons would remember the Board and come to visit to make sure everything was "on the ball." Rep. Boccuzzi again thanked President Lyons for the two good years and for his presidency which will be remembered by all.

REP. RUBINO said that he concurred with Rep. Boccuzzi. He said that he has been on the Board for eight years and has led the Republican side for three terms. He said that there has not been a term as productive as this one. He credited the leadership of President Lyons for the productive term.

CLERK SUMMERVILLE said that her association with President Lyons has been wonderful. She said that she did not think that there was ever one disagreement. Summerville said that she will miss him and speaking on behalf of the office staff, they will also miss him. Rep. Summerville said that she is confident that President Lyons will be back on the Board as this is only a little vacation for him. She wished Dick and his family well.

PRESIDENT LYONS said that he spoke a few words in Caucus about the cooperation of the 22nd Board. He said the 22nd Board has conducted itself in a manner befitting any legislative body. He said that the Board has been deliberate, conscientious, understanding and has worked for the betterment of the City of Stamford. He said that it was not easy to do that when there is such a diverse electorate as in Stamford. President Lyons said that he has seen the people in the 20th district voting for work programs and people in the 6th voting for bridges in North Stamford; this shows the type of cooperation there was on the Board. He said that he hoped and prayed that this will not be lost and on the next Board, members will conduct themselves as they have done in the past.

PRESIDENT LYONS said that leadership bouquets are being given to him but you cannot lead unless people are willing to go that step with you. He said that each and every member has been willing and each member has been willing to put his/her agenda on the back burner for the betterment of what the overall could do for the City of Stamford.

President Lyons said that he salutes the members of the Board and they are a credit to the city. He thanked the Board members.

PERSONNEL COMMITTEE - John J. Hogan, Jr., Chairman

REP. HOGAN said that the Committee met this evening.

(Individual motions were made on each position)

1. APPROVAL OF SALARY RECOMMENDATIONS PER SECTION 5-10-3(a) OF THE CHARTER FOR THE FOLLOWING:

Mayor	\$80,000
Corporation Counsel	77,500
Commissioner of Finance	77,500
Commissioner of Public Works	77,500
City & Town Clerk	58,125
Registrars of Voters	46,500

Submitted by Sim Bernstein, Personnel Director, 7/22/93. Personnel Commission approved 7/21/93. Board of Finance approved 8/12/93. Returned to Committee 9/7/93. Held in Committee 10/4/93.

REP. HOGAN Moved to approve the Mayor's salary from the present \$75,000 to \$80,000. Seconded.

REP. DeLUCA said that he was happy to see that each position will be voted on separately instead of a complete package. He hoped that the same would happen on the package plan for classified and unclassified administrators.

Rep. DeLuca Moved to reduce the Mayor's salary and the Cabinet by \$5,000. Seconded.

Rep. DeLuca said that the economy is down, people are being terminated and out of work and salaries are down and held. He said that a letter has been received from the Finance Commissioner who seems to be a little disturbed that people in the city are making more money than he is and that he receives no pension. Rep. DeLuca stated that the Commissioner knew that when he took the job.

Rep. DeLuca said that the Mayor can establish a precedent for the municipal employees by telling them that there can be a wage freeze or that he can only accept a two or three percent increase. Rep. DeLuca said that there is a potential of a 30% tax increase next year and that is a concern for the public. He urged his colleagues to vote for the \$5,000 cut.

PERSONNEL COMMITTEE: (continued)

REP. ZELINSKY said that he concurred with Rep. DeLuca. He said that he could not justify and vote for a raise when in the past two years, so many city employees have been laid off and some are still without jobs. Rep. Zelinsky said that the Mayor receives a salary, a car which he has access to 24 hours a day, 365 days a year, no maintenance and free gasoline; also, the Mayor has an expense allowance and is an invited guest to numerous functions, performances, etc. throughout the year that he does not have to pay for.

Rep. Zelinsky said that he heard on the local radio station that the Mayor said that if the increase was approved, he would not accept it. Rep. Zelinsky said that if the Mayor does not accept the increase, why should the Board approve it. He hoped that the increase will not be approved.

REP. J. RINALDI said that the increase proposed is \$5,000, so if the proposed increase is reduced, there would not be any increase at all.

REP. BELCHER said that we should keep in mind that we are talking about the leadership of the city government. He said that in the Board of Education you will see 15 people that make more money than the Mayor and cabinet. Rep. Belcher said that we should not cut back the salaries at this point.

REP. STORK said that the argument presented this evening was that city employees lost their jobs, and they have; people are unemployed and they are; however, a \$5,000 raise after a four-year period is well justified. Rep. Stork said that he has received unsolicited comments from people aware of the proposal and they felt the increase was fair. Rep. Stork said that he will vote against the amendment to reduce.

REP. MARTIN said that if the Mayor wants to reject the raise or trim the \$5,000, he can. Rep. Martin said that for the chief executive of the city, \$80,000 is not the right number. He said there are no real benefits for this position other than what was pointed out, the use of a car for city business. Rep. Martin said that \$80,000 is a very low number given the scope of responsibilities and authority that the Mayor has.

REP. SHERER said that he has heard comments such as "why can't we get better candidates, why don't you run," and one of the answers is that with the kind of pay the mayor is paid, you will not get the best candidates. Rep. Sherer said that he agreed with Rep. Martin. Rep. Sherer said that to pay the Mayor \$80,000 is not outrageous and urged his colleagues to support the \$80,000.

PRESIDENT LYONS proceeded to a vote on the amendment to cut \$5,000 from the proposed \$80,000 salary for the Mayor. DEFEATED by a vote of 28 no, 8 yes votes with one abstention.

PRESIDENT LYONS called for a vote to approve the salary of the Mayor at \$80,000. APPROVED by voice vote with 28 yes votes, eight no votes, Reps. Laurie, Gergle, Zelinsky, Curtis, Weinstein, Perillo, DeLuca and Maihock; and one abstention, Rep. Summerville.

PERSONNEL COMMITTEE: (continued)

REP. HOGAN Moved for the approval of the proposed \$77,500 for the position of Corporation Counsel. Seconded.

REP. MARTIN said that he was going to abstain on this item. He said that he has no objections to Corporation Counsel earning \$77,500 as he thought that all the positions being considered are deserving of more if they are working full-time. Rep. Martin said that he was concerned that the Personnel Commission has not adequately dealt with the issue of a part-time or full-time corporation counsel. He said that the time has come for the city to have a full-time corporation counsel and that is what the position should be. Rep. Martin said that he understands the difficulties of that type of requirement and particularly at the salaries offered, but he said that it was unfair to have one person working part-time even if the part-time is an extraordinary amount of hours because all those people are working 60 hours a week and up. Rep. Martin did not believe it fair for one person to be in his own business while also serving the city and earning the same salary as the other positions. Rep. Martin said that he did not have anything against the present corporation counsel; the issue was the position and he said that the Personnel Commission has not addressed the issue, therefore, he would abstain.

PRESIDENT LYONS called for a vote to approve \$77,500 for the salary of Corporation Counsel. APPROVED by voice vote with 25 yes, three no votes, Reps. Perillo, DeLuca and Maihock, and nine abstentions, Reps. Martin, Rubino, Summerville, LaDestro, Sherer, Bromley, Leydon, Nakian and Laurie.

REP. HOGAN said that the Committee voted for the salary increase for the Commissioner of Finance from the present \$70,000 to \$77,500. Moved. Seconded.

PRESIDENT LYONS called for a vote to approve a salary increase for the Commissioner of Finance. APPROVED by voice vote with 33 yes votes, three no votes, Reps. Perillo, DeLuca and Maihock and one abstention, Rep. Summerville.

REP. HOGAN said that the Committee voted unanimously for the salary increase for the Commissioner of Public Works from the present \$70,000 to \$77,500. Moved. Seconded.

PRESIDENT LYONS called for a vote to approve a salary increase for the Commissioner of Public Works. APPROVED by voice vote with 33 yes votes, three no votes, Reps. Maihock, DeLuca and Perillo and one abstention, Rep. Summerville.

REP. HOGAN said that the Committee voted unanimously for the increase for the position of City and Town Clerk from \$50,000 to \$58,125. Moved. Seconded.

PRESIDENT LYONS called for a vote to approve a salary increase for the Town and City Clerk. APPROVED by 34 yes votes, two no votes, Reps. Perillo and Maihock and one abstention, Rep. Summerville.

REP. HOGAN said that the Registrar of Voters position at the present time is \$39,500; recommended to be increased to \$46,500. Rep. Hogan said that the salary is part-time/half-time salary prorated that the actual figure of \$46,500 is \$23,250. Rep. Hogan Moved for approval. Seconded.

PERSONNEL COMMITTEE: (continued)

REP. RUBINO questioned where it was written that the Registrars can't come in and work 35 hours and ask for the \$46,500. He said there is no contract, nothing written in the Charter and no ordinance. Rep. Rubino said that if the Board designates the salary to be \$46,500, if 35 hours are worked, and if combined with Charter which designates the position, perhaps, as full-time, there may be an argument that the Registrars work those hours and are entitled to the \$46,500.

PRESIDENT LYONS said that the matter was concerning two positions.

REP. RUBINO said that he was not clear on that either.

PRESIDENT LYONS said the salary is not being designated at \$46,500; that would be the total for two people or \$23,250 each.

REP. RUBINO said that his understanding was that the Registrars would be paid on an hourly basis equal to the amount that a full time worker would make at \$46,500; if that fact is combined with the Charter provision describing the position, there is a problem.

REP. BOCCUZZI said that about three years ago, the Registrars' positions were decided to be part-time or on an hourly rate and if the proposed amount is approved this evening, the rate cannot exceed \$23,250 for the entire year. Rep. Boccuzzi said that is no money in the budget to pay \$46,500 if they work 35 hours; an additional appropriation request would have to be made. He said that if he remembers correctly, that at that time, there was a possibility of making Deputy Registrars part-time; actually, the Deputy Registrars are present all day and are the nuts and bolts of the Registrars office. Rep. Boccuzzi said that the Registrars do all the work to keep up with the rules of the state which are continually changing; they also put in many hours at election time and even though they work many more hours, they will still only receive the \$23,250 salary.

REP. HOGAN said that at this point, he can see some valid concerns relative to what Rep. Rubino stated. Rep. Hogan reminded the Board that if no action is taken this evening, no action can be taken until 1995.

REP. MARTIN said that he believed that the Board would be approving a \$46,500 a year salary for each position, in essence, a rate of pay for a 35-hour work week. He said that the Registrars are budgeted at 25 hours a week and they are paid for that. Rep. Martin said a legal question has been raised if \$46,500 is what they are to receive and should they be working full-time?

REP. RUBINO said that the assumption is that the Registrars would be working 20 hours but by voting on the item this evening, the Board is designating their salary to be \$46,500 were they to work a 35-hour week. Rep. Rubino said that there is a provision in the Charter stating that it is a full-time position and no matter what the funding is for the position to be voted on this evening, the Registrars can show up for 35 hours and demand to be paid \$46,500; whether or not there is any work to do. Rep. Rubino said that no one has articulated to him a legal mechanism, a contract, an ordinance or anything saying that the Registrars cannot work 35 hours and demand the pay. He said in his legal opinion, that the Registrars can show up for 35 hours and be paid \$46,500; he said that they would prevail in court. Rep. Rubino said that his concerns were brought up at the Personnel Committee meeting yet there is nothing to clarify the item.

PERSONNEL COMMITTEE: (continued)

REP. RUBINO said that he does not know whether the item concerns one position or two positions; he said that he cannot vote on this item as he doesn't know what he would be voting for.

REP. PIA said that there are seasonal, part-time, and permanent part-time workers; he wondered what category the Registrars fall into. Rep. Pia said that a seasonal position is for 19-1/2 hour and anything over that, an employee receives all benefits. Rep. Pia said that the matter regarding the Registrars was too complicated for him to vote on this evening; the matter was not clear.

REP. HOGAN said that the Registrars are on a part-time basis.

REP. M. RINALDI said that in the budget under Registrars of Voters, there is a permanent part-time account line funded at \$55,390 which is the salary for both Registrars.

REP. DOMONKOS said that the Registrars get health benefits but no pension.

REP. RUBINO said that regardless of what the Registrars are budgeted for, if you vote for the salary designations in this item, they have legal recourse if they chose to work a full work week.

REP. LAROBINA said that he would like to see the increase approved but you must listen carefully to what Rep. Rubino was saying. Rep. Larobina said that if a salary is established at a certain number without somewhere else establishing that it is a part-time position, what prevents the individuals from suing based in contract for the full salary?

A motion was made for a Recess. Seconded.

PRESIDENT LYONS called for a vote to approve the Recess. APPROVED by voice vote with no dissenting votes.

PRESIDENT LYONS called the meeting to order after the Recess. (Recess was from 9:00 to 9:25 p.m.)

"*This amount is the total of both the Republican and Democratic elected Registrar positions. In approving this pay plan, this Board intends that the gross salary of each position shall not exceed \$23,250 per fiscal year for those permanent part-time positions." Seconded.

She said that with the lay-offs that people are getting and the possible big tax increase, the people asked, "How can the people justify voting for something like this?" Rep. Perillo stated that was her reason for voting against the increases.
