March 1, 2026

Mayor Caroline Simmons  
City of Stamford  
888 Washington Boulevard  
Stamford, CT 06904-2152

Dear Mayor Simmons:

Attached is the proposed 2026-27 Board of Education Operating Budget request in the amount of **\$372,075,133**, which represents a **7.22%** increase over the 2025-26 budget.

In developing the annual budget, our goal is always to ensure that students continue to have access to the programs, services, and supports necessary for a quality education, while also demonstrating that the District is operating as a responsible steward of the community's tax dollars.

However, significant cost increases in areas out of the district's direct control—including special education out-of-district services (+**28%**) and employee healthcare (+**16%**)—necessitated the requested increase of **7.22%**. If all Special Education costs and employee benefit costs could have been held to an inflationary increase (3%), the overall budget increase would have been less than 3.6%.

Stamford Public Schools is a vibrant and diverse school community, and we are proud to provide programs that offer access and opportunity for all learners, from our highest achievers to those who struggle academically. The FY27 budget will support more than 15,000 students and more than 2,300 teachers, administrators, and staff at 23 sites across Stamford. Every dollar committed to Stamford Public Schools supports our mission to provide an education that cultivates productive habits of mind, body, and heart in every student.

We want to thank you and the members of the Board of Finance and the Board of Representatives, in advance, for thoughtfully considering the BOE budget request.

Sincerely,

Andy George, President, Stamford Board of Education

Dr. Tamu Lucero, Superintendent of Schools

Prasad Tunga, Fiscal Chair, Stamford Board of Education

# Enrollment Trends

From 2017-18 through 2024- 25:

- SPS enrollment grew by nearly 2%, while enrollment statewide and in many local districts decreased.
- Non-public school enrollment of Stamford residents declined by nearly 4%.

# Increased Health Insurance Premiums

- The State Partnership Plan (SPP) is currently projecting a **16% increase** for FY27.
- A 1% movement in premiums has approximately a **\$480,000** effect on the budget.
- The State Partnership Plan (SPP) normally provides an updated figure in February, and a final figure in late Spring.
- Analysis by healthcare industry consultant continues to show multi-million dollar net savings with SPP vs. a high-deductible alternative. This is based on an analysis of claim data and likely costs for Stop Loss coverage, an HSA, and Administrative expenses (see Appendix).
- For FY25, claims paid for SPS members totaled \$54.1m, compared to \$47.9m in premiums paid, for a loss ratio of 113%. The plan is benchmarked “Market Competitive” based on SPS’s industry, location, and size.

Of the plans in your cohort, your plan is in the 40th–60th percentile.

# Out of District Tuition Increase Breakdown

Students with disabilities (SWD) who require out of district placement represent 8.9% of all SWD and 1.6% of total PreK-12 enrollment

*Out of District Tuition costs could be >\$30m more without in-district specialized programming that serves >540 students*

Surplus funds from FY21 and FY22 subsidized the operating budget over the past 4 years

Projecting a 1.7% increase in the number of placements and a 9% increase in expected cost per placement

- Increase in Gross Tuition
- Reduction in FY27 Excess Cost Grant Reimbursement
- Elimination of Excess Cost "Reserve"

# Out of District Tuition: Decrease in State Aid

# SPS Expenditures vs. State Average

Compared to state average, SPS spends MORE on instruction and LESS on central office. To align with the state average, SPS would have to shift **\$4.6m** in expenses from instruction to Central Office.

On average, districts in CT spend 3.2% of their budgets on Central Office.

SPS spends 2.0% of its budget on Central Office.

# Growth of SPS Administration FY20-FY27

# Lunch Fund Financial Overview

- Since 2022-23, SPS has opted in to the CEP (Community Eligibility Provision), which has enabled SPS to provide all students with free breakfast and lunch.
- Based on Stamford's current demographics (which impact funding), CEP creates an operating loss in the Lunch Fund. The Fund has been able to cover most of these these losses in recent years due to a surplus arising from high COVID meal reimbursements.
- However, the Lunch Fund required a contribution of \$1,000,000 from the Operating Budget in FY26 in order to maintain free breakfast and lunch for all students. **The Superintendent's FY27 Budget Request did not include these funds, but they have been added back by the BOE.**
- If Stamford opts out of CEP (free meals) the Operating Budget would need to contribute \$250,000 to cover estimated debt arising from unpaid meals.
- Leaving CEP in FY27 would require that families complete applications in order to be eligible for free or reduced lunch, which will put a burden on both families and staff.

# Transportation

- FY27 is Year 3 of a 3-year contract for in-district transportation services that contains annual increases of **9.75%**, **5.5%**, and **5.5%**.
- The cost for school transportation services has been increasing significantly statewide due to a tight labor market for drivers, but Stamford is in a uniquely disadvantageous position.
- Stamford's current vendor owns the bus depot which houses the fleet, dispatch, and mechanical service operations. Without land of our own to offer a competing vendor, it is very difficult to competitively bid this service.
- SPS has been working with the city Operations Department to source potential sites for this purpose.
- SPS issued an RFP for a new provider in Fall 2025, for a contract to begin July 1, 2027. The contract will be presented to the Board for approval in Spring 2026.

# Federal & State Grant Funding is Stagnant

Grant	Projected FY27 Income	Fully Funded (or COLA) Amount	Variance
<b>Excess Cost Grant</b> (state program that partially reimburses districts for special education expenses above a specific threshold, usually 4.5 times the average per-pupil cost). <i>The Excess Cost Grant does not fully reimburse for all qualifying costs</i>	\$6,695,103	\$11,158,504	(\$4,463,402)
<b>Title Grants</b> (federal funding via the Elementary and Secondary Education Act) <i>Title Grant Funding has been flat in recent years</i>	\$10,990,055	\$11,319,756	(\$329,702)
<b>Alliance Grant</b> (state funding from CT General Assembly) <i>General Assembly did not approve cost of living increase in Alliance Grant for FY27</i>	\$14,024,284	\$14,445,013	(\$420,729)

Fully funding the Excess Cost Grant and cost-of-living adjusting the Title I and Alliance Grants would reduce the budget request to **3.90%**.

# Reallocation Scenarios

**Additional reductions to be considered in the event of significant cuts from city boards**

## Board of Education Budget - February 2026

### Budget Process

The budget process for the district began in October 2025, with the Superintendent providing general guidelines to all administrative staff to begin developing a budget for fiscal year 2026-27 that addresses program needs in a fiscally responsible manner. The budget would need to provide adequate resources to fund high growth budget areas such as Special Education, Health Insurance, Facility Maintenance, and Utilities. Starting in December 2025, with input from Central Staff and Administrators (including principals and assistant principals), the Superintendent's Operating Budget Request was assembled. At the same time, meetings were held with cabinet members to review all areas of the budget, to link budget requests to district goals, and determine priorities for 2026-27. Each program and building was thoroughly reviewed for staffing needs, trends, and alignment with district goals.

**The Board of Education's Operating Budget Request for 2026-27 is \$372,075,133, an increase of 7.22% over 2025-26.**

### Board of Education Goals

Each year, the Board of Education and Superintendent of Schools work to develop Board and Superintendent Goals that support the district's mission. The operating budget and all grant budgets are aligned to these goals:

#### **MISSION OF Stamford Public Schools:**

**The mission of the Stamford Public Schools is to provide an education that cultivates productive habits of mind, body and heart in every student.**

#### **VISION OF Stamford Public Schools:**

**The Stamford Public Schools will be a learning organization that continuously improves its effective, innovative and transformational teaching and learning. We will challenge, inspire and prepare all students to be productive contributing members of society.**

## District Strategic Goals

**Strategic Goal 1: Learning Organization (Community)** – All members of SPS will acquire and apply practices of a Learning Organization to promote a culture of continuous improvement and excellence.

**Strategic Goal 2: Habits of Mind** – All learners will acquire and effectively apply critical thinking, creative thinking, and self-reflective thinking to be academically prepared for lifelong learning and the world of work.

**Strategic Goal 3: Habits of Body** – All students will be prepared to lead an active lifestyle and to make healthy choices.

**Strategic Goal 4: Habits of Heart** – All learners will acquire and effectively apply the knowledge, attitudes, and skills necessary to understand and manage emotions, set and achieve positive goals, feel and show empathy for others, establish and maintain positive relationships, and make responsible decisions.

## Budget Development Assumptions

### Enrollment

The district's projection for student enrollment is shown in Section 4 of this document. A bar chart with actual enrollment from 2004-05 to 2025-26 along with an enrollment projection for 2026-27 shows the overall trend in enrollment.

For 2026-27, the total number of students (including in-district, out-of-district, and home instruction) is expected to increase by 29 to 15,377 students, an increase of 0.18%.

Middle Schools	-	(16)	
High Schools	+	49	
All Other	-	(21)	(Includes Pre-Kindergarten, Out of District, Anchor, IAI)
<b>Total</b>		<b>29</b>	

## Revenue

Included in Section 6 of this document is an estimate of Education Revenues to the Stamford Public Schools and the City of Stamford. The operating budget for the school district in the amount of \$372,075,133 is partially offset by state entitlements (such as ECS) and other revenues that are paid directly to the City. The state entitlements and other revenues are estimated to be \$8,966,732. When these funds are subtracted from the operating budget request, the estimated cost to local taxpayers is \$363,108,401.

Additional funds are obtained directly by the district from Federal entitlement grants, state grants, corporate grants, and private grants. Most grants are projected at the same level as 2025-26, unless specific information suggesting otherwise is available. Our projections for all grants are shown in section 9 of this document.

Grants are usually earmarked for specific purposes and are generally intended to “supplement and not supplant” local operating budget funds.

## Salaries and Wages (100)

The salaries and wages included in this budget are based on settled collective bargaining agreements and “best estimates” for unsettled contracts.

Based on the current trend, new teacher positions have been budgeted at \$78,323 plus benefits of \$21,000 and paraeducators have been budgeted at \$30,000-\$40,000 (depending on Program) plus benefits.

Additionally, the salary accounts have been reduced by \$3.5m for estimated “vacancy savings” due to staff turnover from retirements and resignations, unfilled positions, and degree level changes.

### **Employee Benefits (200)**

This portion of the budget includes the cost for employees' medical and dental insurance as well as the employer's share of Social Security costs. For 2026-27, all of the districts bargaining units have health insurance through the State of Connecticut Partnership Plan.

The increase in projected insurance cost is shown in the 202 Health Insurance account. Our Medical Insurance cost is expected to increase by 16% and Dental Insurance by 5%. Further details are available in Section 10.

Revenue credits are included in the Board of Education budget for two items: premium cost sharing for active employees and grant offsets to the insurance account for grant funded employees.

The cost of the 230 Pension account is predicted to decrease by -\$239,286 (-8.3%), and the cost of the 231 Other Post-Employment Benefits ("OPEB") account is predicted to increase by \$52,280 (4.%), pending updated figures from contracted actuaries.

### **Educational, Rehabilitative, and Legal Services (300)**

This grouping includes outside services, which are primarily rehabilitative and legal in nature. For 2026-27, this group will increase by \$825,430.

The 323 Pupil Services account is meant to cover additional student services that are required by Special Education student's Individual Education Plan ("IEP"). The funding pays for physical and occupational therapy services and other services mandated by IEPs. Costs for students which exceed 4.5 times the average per pupil cost are reimbursed, in part, by the State Excess Cost Grant.

### **Building Upkeep and Repairs (400)**

Items in these accounts, which cover utilities and deferred maintenance, are slated to decrease by -6.5%. This figure is driven by decreases in estimated electricity cost, as well as certain repairs being covered by building use rental funds. Costs for gas heat, which are expected to increase materially, are included in the 600 account grouping.

### **Transportation, Out-of-District Tuition, and Other Services (500)**

This group is primarily composed of the student transportation, insurance, and out-of-district tuition accounts.

The transportation budget was built on the services provided by First Student and ECS Transportation. The contractual rates will increase by 5.5% for Home-to-School service and up to 5% for Out-of-District Special Education transportation.

A portion of the district's transportation cost is funded through the Magnet School Transportation grant which helps out of town students to attend Rogers International School, Strawberry Hill and AITE.

Property, casualty, and general liability insurance costs are estimated to increase by 4.% due to increased premiums as per the city risk manager.

The Out-of-District Tuition Account provides funding to other institutions for Special Education students who are required to attend based on their Individual Education Plan (IEP). The law guarantees each Special Education student a “free, appropriate, public education” and because of this, sometimes a school or institute outside the Stamford School District better meets his or her needs.

The gross tuition cost is offset by Agency Placement and Excess Cost Grant revenue in the amount of \$6,695,103. The final budget of \$25,521,829 is an increase of \$5,682,097 (28.64%).

The Board of Education's Budget includes funding (\$1,250,000) for students to receive free breakfast and lunch.

### **Supplies, Materials, and Heating Fuels (600)**

The supply budget for the school system includes both classroom-based consumable supplies and also heating fuels such as oil and natural gas. Each of the schools is given a per-pupil allotment based on their estimated pupils for 2026-27 to cover items such as paper, pencils, copy paper, and textbook replacements.

Items such as textbook adoptions, heating oil, and natural gas are managed and budgeted centrally and not included in the “per student” allocation formula.

The “per-pupil” allotment is discretionary funding allocated to each school and managed by the principal based on site needs. The building principals will be able to re-allocate site money via budget transfer. The formula stated above follows a practice adopted in prior years. The allocation of funds based on students allows the schools to fund all basic supplies for regular, Special Education and English Learner students as well as “supply-intensive” subjects such as Art. The district adheres to the practice of “dollars following students” and more or less students may necessitate an adjustment to the budget. We will maintain a margin of +/- 25 students at each building for budget purposes.

### **Equipment (700)**

The equipment account is used to fund purchase of items with a unit cost of over \$1,000 and a useful life of more than one year.

### **Dues and Fees (800)**

This account covers expenditures for professional organizations or associations for individuals, schools, or district-wide programs.
