Discover your career path  
with CT Tech Hub #JustLikeMe

Find a tech career, just like that

What's next after school? How about a rewarding career in technology?  
Depending on what you're like, there just might be a well-paying tech career for you.

So, what are you like?

The Southwest Connecticut Tech Hub is a regional collaboration that aligns industry, government and education to grow tech-enabled jobs. Individuals receive no-cost training and job placement. To date, we have placed over 200 individuals in jobs.

The Stamford Tech Hub provides access to technology education, digital skills and career pathways for Stamford residents. Our training programs and employer partnerships connect individuals to in-demand tech skills (data analytics, cybersecurity and cloud management) aligned with workforce needs
