Section 1. Not exceeding \$25,000,000 aggregate principal amount of Water Pollution Control System and Facility Revenue Refunding Bonds (the "Refunding Bonds") of the City of Stamford, Connecticut (the "City") may be issued in one or more series and in such principal amounts as the Board of Finance shall determine to be in the best interests of the City to refund all or any portion of the principal amount outstanding of the City's Water Pollution Control System and Facility Revenue Bonds (the "Refunded Bonds") to obtain net present value savings and/or to moderate the debt service payments on the Refunded Bonds. The Refunding Bonds shall be issued as revenue bonds of the City payable solely from revenues and other receipts, funds and moneys pledged therefor pursuant to the Indenture of Trust, dated as of December 21, 2001 (as amended, the "Indenture"), by and among the City, the Water Pollution Control Authority of the City of Stamford, Connecticut (the "Authority"), and U.S. Bank National Association (successor to Wachovia Bank, National Association), as trustee.

The Refunding Bonds shall be dated, mature at such time or times and in such principal amounts (provided that no Refunding Bonds shall mature later than the final maturity date of any Refunded Bonds being refunded), bear interest at the rates, be subject to such rights of redemption and redemption prices, be payable as to principal and interest at such places and in such medium of payment, be of such denominations and forms, carry such exchange or registration privileges, and contain such other provisions and particulars as shall be determined by the Mayor and the Director of Administration. The net proceeds of the sale of the Refunding Bonds, after providing for the funding of a debt service reserve fund, if any, and the payment of underwriter's discount and other costs of issuance, shall be deposited in an account in an amount sufficient to pay the principal of, interest and redemption premium, if any, due on the Refunded Bonds to maturity or earlier redemption pursuant to the plan of refunding. The Mayor and the Director of Administration are authorized to appoint the certifying, paying, registrar and transfer agent for the Refunding Bonds, an escrow agent, if any, and any other professionals, and to execute and deliver any and all escrow, investment and related agreements necessary to provide for such payments on the Refunded Bonds and to provide for the transactions contemplated hereby.

Section 2. The Mayor and Director of Administration are authorized to appoint one or more underwriting firms to sell the Refunding Bonds and to execute and deliver a bond purchase agreement with such underwriter(s) for the sale of the Refunding Bonds.

Section 3. The Mayor, the Director of Administration, the Controller and the Executive Director of the Authority are authorized to execute and deliver a supplemental indenture to provide for the issuance of the Refunding Bonds and to provide for the payment of the principal of and interest on the Refunding Bonds, as provided for in the Indenture.

Section 4. The Mayor and the Director of Administration are authorized to negotiate with or cause the negotiation with financial guaranty insurance companies to arrange for the insuring of the principal and interest payments on the Refunding Bonds, if desirable.
