Mr. Buttenwieser gave an overview of this item and there was a brief discussion.

The money being used for this project is surplus from the Parking Fund. There are about 600 parking meters in Stamford. Lifespan of a meter is 10 years. Older meters will be replaced and there will be some expansion of the pay station program. Every meter will accept cash, credit cards, and payment through phone and ParkMobile. The Transportation Department is working on a phased transition plan to eventually replace all single-space meters to multi-space meters (pay stations).

A motion to approve Item No. 3 was made, seconded and approved by a voice vote of 6-0-0 (Co-Chair Zachary and Reps. Bouchard, de la Cruz, Goldberg, Johnson, and Lapine in favor).
