Good Morning Director Emmett:

On behalf of Representative Graziosi I am requesting as to whether the Board of Representatives can pass an ordinance which would limit the maximum property tax increase that could be levied annually.

Secondly if such an ordinance could be passed, could we, as oppose to stating what the maximum increase would be, could we instead set it as a percentage of our neighboring towns.

Lastly, can we make any laws affecting the mill rate or is that completely controlled by the Board of Finance.

Thanks in Advance
