Dear Board of Representatives,

You may be aware that a petition has been circulating asking for modern sheltering methods to be implemented at Stamford Animal Control. Here is the link:

<http://www.change.org/petitions/animal-control-center-task-force-implement-no-kill-equation-at-stamford-ct-animal-shelter>

I downloaded the signatures from the petition as of 8pm, Tuesday, 8 July 2014, so that this info would be available to you ahead of the Task Force meeting on Wednesday, 9 July 2014.

The petition will continue to be circulated and I am confident that we have just scratched the surface with Stamford citizens. We will keep you updated on current numbers.

I am attaching several spreadsheets for your perusal.

They are:

- 1) Stamford CT Signatories – 543 Stamford citizens signed the petition.
- 2) Stamford CT Comments – 119 Stamford citizens left a comment when they signed the petition.
- 3) Other CT Signatories – 661 citizens who live in surrounding CT towns signed, the majority of whom lived in Stamford doing the past 9 years and/or adopted an animal from Stamford Animal Shelter.
- 4) Other CT Comments- 135 citizens in surrounding CT towns left a comment when they signed.

The signatories who took the time to leave a comment would love to be able to speak to you personally, but knowing this is not possible, they have left heart-felt comments for you. I kindly ask that you please take the time to read them. They speak of their personal experiences and they speak from the heart.

5) USA Signatories – 1765 people from outside CT signed. This confirms nationwide polls which show that Americans support modern programs for animal shelters and want the killing of family pets to stop. The public supports the programs and services of the “No Kill Equation” used by shelters representing about 500 cities and towns across America, including those in Kentucky, Virginia, Indiana, Utah, California, New York, Texas and elsewhere, which are

saving animals and as high as 99%.

If you have any questions, please do not hesitate to ask.

Thank you,  
Nicole Bruck

Nicole Bruck	Stamford	CT	6906	United States	6/29/2014	Every dog's and cat's life has value. Every life counts. They all want to live and know a loving home. Killing of animals simply for being homeless has no place in the richest country in the world in the year 2014. Citizens do not want their tax dollars used to kill loving family pets or pay the salaries of those that kill. There is a better way for the animals and for Stamford. A progressive city like Stamford should also be recognized for its leadership in how it treats its homeless pets. Our city doesn't have to be like every other one. We can be different and we can be better. If only we are able to look outside the box, good things can come.
Jenny Colucci	Stamford	CT	6905	United States	7/2/2014	Because every life matters and is important.
Rudi Karukas	Stamford	CT	6905	United States	7/2/2014	Our shelter needs to remain a safe haven for all our animals. We do not want to go back the way things were 10 years ago. We need to move forward in a positive way and killing all animals coming in without giving them a fair chance is wrong. No KILL is the new way.
Martina Steed	Stamford	CT	6903	United States	7/2/2014	I am a resident of Stamford who lives just 3 short blocks from this once progressive shelter. I will not be able to sleep at night knowing death is looming so close to my doorstep. Free Tigger and the current and future animals at this shelter. I have personally witnessed the hard work of the volunteers. We can do this if we unite the volunteers with the city. NO KILL IN STAMFORD
Loreen Capano	Stamford	CT	6902	United States	7/2/2014	I'm a lifetime Stamford resident and I strongly urge the city officials to bring back the volunteers to the shelter and keep return the quality of care and adoption efforts to the shelter. Every animal loving resident of Stamford wants this. Please listen to the residents and make us proud to be part of this community! Let's restore the "care" in Stamford Animal Care and Control. Municipal and private interests need to work together for the welfare of these poor animals. For all our economic development, the shelter is sadly behind many other cities, without even heat or air conditioning. Municipal and private interests need to work together for the welfare of these poor animals.
Maggie Pisani	Stamford	CT	6902	United States	7/2/2014	Because no kill shelters are the only responsible way.
Birthe Poulsen	Stamford	CT	6903	United States	7/2/2014	Want to make sure that Stamford doesn't retreat to a kill shelter - after all we should lead the way in Ct. not go backwards. Lets be forward, progressive thinkers and problem solvers!!!!!!!!!!!!
Rick Bauer	Stamford	CT	6907	United States	7/2/2014	Every life has value, and unless our city recognizes this, OUR community will suffer as a whole. Killing is WRONG. Our motto is " A city that works" which should be "A city that works & works together. We all have a place on this planet.
Lori Scott	Stamford	CT	6905	United States	7/2/2014	I remember the Stamford shelter before Laurie, it was horrible with deplorable conditions and the animals suffered. Laurie offered care, wellness and love to our animals and invited the community to participate. We need to offer our gratitude to Laurie Hollywood and support her in every possible way to continue her mission of love for the animals - a mission we cannot carry out without her and the wonderful volunteers. Stamford needs to support Laurie, the vintners and the animals if we are to hope for any kind of future. Stop this crazy witch hunt immediately and bring reason back into your hearts.
Debra Stein	Stamford	CT	6902	United States	7/2/2014	Laurie has done a wonderful job caring for the animals with limited resources. All shelters should be NO kill, it is not the animals fault that they do not have a home!
Lisa Snyderman	STAMFORD	CT	6906	United States	7/2/2014	To protect the animals. Everything was wonderful at this shelter. Let it be as it was and bring peace back to our community.
Sharon Lund	Stamford	CT	6902	United States	7/2/2014	Because I don't want Stamford to be known as the City with a kill shelter.
Carol Policastro	Stamford	CT	6902	United States	7/2/2014	Laurie was professional and great during my somewhat complicated adoption last year. I also very strongly believe in the No Kill edict and would hate to see it reversed in the Stamford shelter.
Victoria Keating	Stamford	CT	6903	United States	7/2/2014	

Tracy Barney	Stamford	CT	6903 United States	7/2/2014	There are plenty of avenues to work with the majority of aggressive animals - behavioral trainers, sanctuaries for dogs to live out their lives in. Dogs as babies do not ask to be born or put in a shelter or abandoned. I have lived in Stamford my whole life, 47 years. It was a the Town of Stamford when I was growing up. It had a heart. The City of Stamford needs to get that heart back!!!! You owe it to your residents of all walks of life.
Jeanne Feore	Stamford	CT	6903 United States	7/2/2014	These dogs deserve at least the chance of finding a caring forever home to live out their days loved and safe. I am the proud owner of a dog adopted from the Stamford Shelter in 2008. I adopted my dog at an event done in collaboration with the Bartlett Arboretum. Through that event 3 dogs were adopted. Laurie didnt have to do events such as this one, as there is quite a lot of extra work that goes into planning , transporting and supervising. My impression was that Laurie always went the extra mile for the sake of the animals.
Barbara Rossi	Stamford	CT	6903 United States	7/2/2014	The humane treatment of all animals is important to society as a whole. It's a disgrace that in a city as monetarily rich as Stamford does not have a state-of-the- art animal shelter.
Louise Damato	Stamford	CT	6903 United States	7/2/2014	Words can not describe how disgusted I am about the political nonsense that is going on or how sad I feel about the animals now being neglected at the shelter.
Lauren Williams	Stamford	CT	6905 United States	7/2/2014	Animals are innocent and have a right to live. Please don't kill them. Its not right
Lori Conklin	Stamford	CT	6905 United States	7/2/2014	I volunteer at the shelter and I have personally seen the good that Laurie does everyday.
Robbin Ashenfelter	Stamford	CT	6902 United States	7/2/2014	I love animals
Lori Gunn	Stamford	CT	6902 United States	7/2/2014	Stamford should be a leader not a follower in all things including its humane treatment of animals.
Joan Burnett	Stamford	CT	6902 United States	7/2/2014	We need to continue to save animals and have a no kill shelter our community reflects this.
Corrie Menzer	Stamford	CT	6903 United States	7/2/2014	Laurie has done everything to protect those animals and has turned that shelter around! She was the best thing that happened to that shelter.
Josie Fraioli	Stamford	CT	6902 United States	7/2/2014	This is important to me because I am a animal lover and i give my full support in keeping the Stamford Shelter
joenith sosa	Stamford	CT	6906 United States	7/2/2014	NO-KILL
Leola Rosati	Stamford	CT	6906 United States	7/2/2014	All of our family pets came from shelters
eleanor casale	Stamford	CT	6903 United States	7/2/2014	animals should have rights..they count on us to do right by them... Because all animals deserve to live! All it takes is love, care, and respect. We may have numerous dogs and cats,etc, but to some dogs/animals, we are they're only owner. We shouldnt take that away from them. They all deserve to have another chance! Dont take it away!!
traci moavero	Stamford	CT	06902-831 United States	7/2/2014	Its the animals that are the victims and cannot speak for themselves. Its the humans who need to be locked up for their lack of care and treatment of the innocent animals. Laurie Hollywood CARED! Laurie is their escape goat so they don't have to spend money and modernize and outdated and antiquated facility. The City of Stamford should be ASHAMED!
Lisa Sabia	Stamford	CT	6902 United States	7/2/2014	I rescue dogs and I see no reason why Stamford should be killing animals unnecessarily. I have no children yet most of my \$13k tax dollars go to the school system. We should figure out how to be more fiscally responsible in our town and fund other meaningful needs like this shelter.
Patrick Francis	Stamford	CT	6903 United States	7/2/2014	I have adopted all my cats from the Stamford Animal Shelter and killing is wrong! Save a Life - Adopt a Pet!!!!
Debbie Crosby	Stamford	CT	6902 United States	7/2/2014	We have to be the voice of those who cannot speak &lt;3
Diana Marin	Stamford	CT	6992 United States	7/2/2014	I adopted from first dog from Laurie about 2.5 years ago. She was incredibly thorough in her process and I was only adopting a 3 month old pup. The pup has just come into the shelter. She explained that she needed time to evaluate the pup first. Once that was complete, she put me through a lengthy interview process, explaining her responsibility in adopting dogs out to what she believed would be strong dog owners....particularly because I was adopting a American Staffordshire Terrier mix. I'd be hard pressed to believe that Laurie would knowingly place any dog or potential dog owner at risk....given my experience.
Robyn Santagata	Stamford	CT	6905 United States	7/2/2014	

Loretta Verma	Stamford	CT	6903 United States	7/2/2014	I love and respect animals, have adopted numerous animals from shelters over the years with favorable results for my family and our pets. I feel the animals deserve a chance to find a loving home, not be 'euthanised'.
Liz Horton	Stamford	CT	6905 United States	7/2/2014	IT'S IMPORTANT TO THE ANIMALS! That's what counts! After my sister's death, I was forced to take her dog to the shelter. I felt good because I knew he would get a good home and not be killed. He was adopted in less than a week. This is the type of animal shelter Stamford can be proud of.
Clare Perkowski	Stamford	CT	6905 United States	7/2/2014	It would be a shame to watch all the effort and progress made in the last 9 year be flushed down the drain. Growing up in Stamford it was referred as the "pound" and we are now in a place where the tables have turned and the SHELTER and RESCUE have done more for the community then the city realizes. Taking a step backwards would be idiotic.
Megan Pavia	Stamford	CT	6907 United States	7/2/2014	Every life matters. Finding ways to match each pet to a good loving responsible home should be the goal in which to keep the public happy and safe. Giving each pet the opportunity to adjust, to socialize, to be trained, and be re-homed is the humane thing to do. Pets are not objects. We do not live in a third world country that doesn't recognize this. You have an obligation to not only keep the public safe but to keep safe ALL the animals that pass through the Stamford Animal Shelter. The decision to end a pet's life due to illness should be by an experienced licensed Veterinarian; and an experienced licensed Animal Behaviorist should be the one to decide if a dog is incapable of being rehabilitated. As a Stamford Resident, I do not want my tax dollars being used to kill any animal that can be saved (either through medical or proper training).
Alexandra Perimenis	Stamford	CT	6903 United States	7/2/2014	I have gotten dogs from the pound. I love animals and to see this shelter become a "Kill" shelter would just be awful. All an animals need is a loving home. Not there last memory to be that they weren't loved at all. We adopted a wonderful dog that was on a kill list twice, breaks my heart when I think of what could have happened.
Tucker Blandford	Stamford	CT	6903 United States	7/2/2014	I have adopted dogs from the shelter and I love animals
Beth Strauss	Stamford	CT	6903 United States	7/2/2014	There are many dogs brought to the shelter because owners can no longer care for them and they make wonderful pets. I have fostered three dogs who have been adopted into homes where they are much loved.
david cingari	stamford	CT	6902 United States	7/2/2014	Only aggressive dogs and those that are very sick should be euthanized.
Dorothy Landress	Stamford	CT	6905 United States	7/2/2014	Because everyone deserves a loving family!!!!
Grace Quezada	Stamford	CT	6902 United States	7/2/2014	CT and Stamford especially lag far behind and should be ashamed of the little they do (monitarily and compassionately) in contributing to the city's homeless animals with the highly substandard present facility in Stamford, CT .
Linda Wilson	Stamford	CT	6906 United States	7/2/2014	Let's not go back to the archaic days. Continue to treat orphaned animals with the respect they deserve. Keep the best Shelter leader Stamford has ever had! Let's not get caught up in in believing stories that are untrue.
Alison Fisher	Stamford	CT	6902 United States	7/2/2014	Bring Laurie back!
Catherine Garvey	Stamford	CT	6902 United States	7/2/2014	The way a man/country/town treats it's animals is an indication of their kindness and intelligence. Let Stamford be kind and intelligent, no kill is the way to go. I don't want to live in: Stamford , the City that Kills. Please implement a "No Kill Shelter" here in Stamford. Animals should never be destroyed if healthy and fit. We ask that you understand that animals are loving and loyal. They have feelings, good and bad! They become our friends and part of our family. Please consider another solution!!
Sherry Tarantino	Stamford	CT	6902 United States	7/2/2014	Let's not be, Stamford the city that kills
Katherine Sosa Aldana	Stamford	CT	6902 United States	7/2/2014	I love animals.
linda kenney	stamford	CT	6903 United States	7/2/2014	No animal deserves to die this way
Karen Regan	Stamford	CT	6905 United States	7/2/2014	This should Not be run by police officers/animal control. These animals need better care and good homes to be adopted into
Bonnie Maczuba	stamford	CT	6902 United States	7/2/2014	No animal should be killed, especially when they've done nothing wrong. They deserve love and life.
Erica Twardy	Stamford	CT	6906 United States	7/2/2014	

Mike Rizzo	Stamford	CT	6903 United States	7/2/2014	Who else do all animals have to defend and take of them ????? The most important thing right now is to provide a humane environment for the resident shelter animals until
Jackie Kaiko	Stamford	CT	6903 United States	7/2/2014	a new shelter can be built. I don't even think I need to answer this question.. It's deplorable how this is even an option anymore. Shame on this City. Perhaps moving it to where Courtland Ave where the City's signs and lines crew reside. They would be visible for adoption since it's close to the dog park. Signs and Lines crew I am sure can bunk in with
Anne Valentine	Stamford	CT	6905 United States	7/2/2014	the Highway crew..
Nicole Anthony	Stamford	CT	6905 United States	7/2/2014	I adopted my two pits there and they are amazing!! I support this shelter and all they do! It is with sincere appreciation that I say thank you to Laurie and Stamford's Animal Shelter - without a "no kill" policy - I may not have met my beautiful and wonderful pets:)
Maryellen Estrada	Stamford	CT	6902 United States	7/2/2014	I am a huge dog lover and a citizen of Stamford. I think the way the city is handling this situation is a disgrace.
Stephen MacKenzie	Stamford	CT	6905 United States	7/2/2014	Please give the dogs the home they deserve! To repeat: "No Kill is a humane, sustainable, cost-effective model". I hope you are willing to learn from Best Friends and NKLA. Sincerely (and I VOTE):
Katherine Kennard	Stamford	CT	6903 United States	7/2/2014	Katherine I volunteer at the shelter and am a strong advocate for giving these animals the chance they deserve. They
Courtney Smith	Stamford	CT	6902 United States	7/2/2014	won't have a hope of getting adopting and surviving if we doom them from the start.
Alexandra Delmar	Stamford	CT	6902 United States	7/2/2014	Stamford touts itself as a city of progress; let's not move backward. It's said that you can judge a society by how it treats its weakest members. The City of Stamford is failing the
Lana Buccieri	Stamford	CT	6905 United States	7/2/2014	community and it needs to stop NOW!
Catherine Williams	Stamford	CT	6905 United States	7/2/2014	Laurie has my full support as a volunteer at the shelter.
audrey pappas-wragg	stamford	CT	6903 United States	7/2/2014	Please also reinstate Laurie Hollywood and drop the charges against her ASAP. Animals are important to me and I think they should be saved instead of a killing them after a certain period of
Zachary Czamanski	Stamford	CT	6906 United States	7/2/2014	time! Our human values as citizens must include humane treatment of defenseless animals. If we cannot live up to this standard, it is a blot on the community and the conscience of Stamford. I understand that there are problems at the Shelter, but banning dedicated volunteers from caring for these poor animals, and threatening to throw the beleaguered manager in jail are counterproductive measures that seek only to blame, not to seek productive change. Stop the blaming and punishing; start working WITH volunteers and the community for a

					It's important to me because I adopted an adorable pure bred Boston Terrier from Stamford Animal Control in April, 2011. He was named Briggs (I renamed him Frankie). He was blind due to cataracts and if Laurie Hollywood did not have a no-kill policy, he most likely would have been put to sleep. Laurie Hollywood spared his life and I will forever be grateful to her. I had Frankie's cataracts corrected and had the pleasure of having him for 3 years, until I had to put him down on May 2. Laurie is a compassionate worker who should NOT have been fired or arrested. She was overworked. The more I learn about the case, the more I am convinced that a

melanie williams	Stamford	CT	6903 United States	7/3/2014	killing animals just because they haven't found a home yet is barbaric... be truly humane and abolish this antiquated practice! you can do better...
Rachelle Goldberg	Stamford	CT	6902 United States	7/3/2014	Given time, many of these animals are taken by rescue organizations, given the care they need, and ultimately adopted. CT is far to sophisticated a state to go BACKWARDS by creating a kill shelter.
Michael Potter	Stamford	CT	6905 United States	7/3/2014	My dog got lost one day and ended up here... I would lose a part of me if he died
charlotte campbell	Stamford	CT	6905 United States	7/3/2014	I am a pet owner who has rescued her own cats - I know how important it is to rescue & adopt out. It's the humane thing & the right thing to do.
					Shelter animals don't choose to live there, they're left there by humans. It is our responsibility as humans to take care of them, not kill them simply because there's too many of them. Imagine if we went around killing each-other just because there's too many of us around? That's not legal and killing animals shouldn't be either.
Maria Sileo	Stamford	CT	6902 United States	7/3/2014	I care about these animals, and you ought to care about them too!
Alexa Kapit	Stamford	CT	6903 United States	7/3/2014	Because Stamford residents love animals. Our community cares. And yes, the Stamford Animal Shelter needs more paid workers to take care of the dogs and cats. If it wasn't for their dedicated staff, I would not have my loving cat, Oliver! P.S. The Stamford Animal Shelter should have more funding. Thank you.

					Because my dog Spike most likely would have been a dog that would have been euthanized due to health issues. 					This is important to me because these beautiful animals that are put in the shelter for one reason or another do not deserve to die. They need an opportunity to find the right person to take them home and love them. These poor animals feel and understand just like us humans do but they cannot speak. A no kill shelter is the only way to go in this day and age. There are plenty of people and volunteers that work tirelessly to make a difference for these animals. They need a chance. Please do not stuff out theirs lives.
Elaine Parruccini	Stamford	CT	6902 United States	7/8/2014	This an inhumane and barbaric way and Stamford should not be a part of it!
Jenna Bailey	Stamford	CT	6902 United States	7/8/2014	We need to speak for those without voices. They all deserve a chance to be adopted and loved. All animals have a right to live. I had been searching for a while for a cat to adopt before I stopped in on my lunch hour to the Stamford Animal Shelter. After hearing what I was looking for, Laurie led me to the cat room and suggested one particular cat - I could not be happier, and she hit the nail on the head with her suggestion. I was so impressed with Laurie, and her loving attitude towards all the animals. This horrible turn of events makes me ill.

I worked with her on two separate adoptions and there was nothing remotely true relating to what she is being unjustly accused of. She personally assisted me with successful adoptions. I don't know what is going on here, but both Laurie and the dogs at the Shelter are being wronged here....STOP IT NOW!!!

Alison Stergas	Darien	CT	6820	United States	7/4/2014	Give animals a chance to live. Domestic animals bring so much to the lives of the people with whom they share a home. People should do all they can to help them when they are in need and give them a second chance to share their love and healing with people.
Sandra Geyer	Darien	CT	6820	United States	7/4/2014	People created the over population of animals, why should they suffer due to a human's ignorance? we have fostered several dogs from various organizations for the past 3 years. We rescued a pitbull mix from the Stamford shelter who had been in there for over a year. from the moment I brought the dog home she bonded with my children, other dogs, and even the dogs my dog walker walked in a pact. if it were not for laurie and the training and love she gives to these animals on a daily basis, I do not think any log that had been in a shelter for over a year would have been so well adjusted. my family has visited the shelter often, donated money, and attended the dog training classes given by Rob. laurie is the dog whisperer of Fairfield county. it is truly criminal that you want to revert the Stamford shelter back into the draconian place it was before laurie arrived there. There is a reason modern medicine no longer uses leaches to cure diseases or lobotomies to the mentally ill.
Harriet Miceli	Darien	CT	6820	United States	7/4/2014	do not try to put this shelter back into the dark ages when it has come so far.
Bridgett Dunn	Darien	CT	6820	United States	7/7/2014	We need to fight for them because they cannot fight for themselves. Each one of them is absolutely adorable in his or her own way. They all deserved to be loved.
brenda thompson	darien	CT	6820	United States	7/7/2014	I firmly support the no kill equation. It will benefit everyone. Animals have souls just like we do. Do we kill criminals in prison to make more room? No, we just create more jails. We should be doing the same for the animals.

kayla delventhal	fairfield	CT	6824	United States	7/2/2014	I have known too many dogs to EVER want to be associated with a society that routinely kills the lost, the unloved, the confused, the abused. Animals are not things, to be thrown away when they are inconvenient.
james louloudes	fairfield	CT	6824	United States	7/2/2014	The Stamford Shelter has always been the most progressive and compassionate in the State. Keep it that way.

Jader Carvajal	Greenwich	CT	6878	United States	7/2/2014	Please keep the Stamford Shelter a no kill facility. SAS and organizations like OPIN do a huge service to the community by adopting out animals.
Patricia Eggert	Greenwich	CT	6831	United States	7/2/2014	We rescued our 2 year old Rotty from the Stamford Shelter. He may look a little scary to some, his size may be intimidating to some, but in reality he is sweet, loving, caring, exciting, funny and much more! We are so lucky to have him. All dogs deserve life and to find a family that loves them as much as we love Rocky!
heather craig	Greenwich	CT	6830	United States	7/2/2014	Kill-shelters are only for lazy ACs who don't make an effort to find as many good homes for shelter animals as possible! Volunteers are the backbone of municipal shelters - the animals get great exposure to different people, making them more adoptable, without a cost to the city! Laurie Hollywood doesn't deserve the way she has been treated! Shame on Stamford!
Eliza Coven	greenwich	CT	6830	United States	7/2/2014	Animal lover....would love to help if needed , please contact me via email if there is anyway we can save the precious animals i will do what i can...thank you, Dawn Johnson
Natalie Jarnstedt	Greenwich	CT	6830	United States	7/2/2014	We don't have the right to kill anything. It breaks my heart to think we are destroying a life, any life. When did that right pass on to humans? We are all God's creatures, 'great and small'. Let them live. This should be important to everyone in the community. I adopted a wonderful dog from this shelter because I knew it had a no kill policy and I thought Laurie Hollywood was great and very careful about who she would place a doberman with
Dawn Johnson	Greenwich	CT	6830	United States	7/2/2014	I have been to the Stamford shelter several times. I won't want to have much to do with the town of Stamford if you become a kill shelter. You expect such actions in poor ignorant communities, not Stamford, CT
Mary Ellen Mowbray	Greenwich	CT	6878	United States	7/2/2014	Connecticut should keep up with the times and implement a No-Kill policy and build a new shelter; it's about time!

Bo Jarnstedt	Greenwich	CT	6830	United States	7/8/2014	I am appalled at the recent events at the Stamford shelter with the witch hunt of Laurie and her dedicated volunteers. Who is caring for the animals? Stamford should not revert to a kill shelter. I implore you to reinstate Laurie Hollywood, work closely with her and the volunteers to improve the conditions at the shelter and save the lives of innocent animals who are there through no fault of their own. Don't let Stamford become an ignorant backward community.

Cristina Espinosa	new canaan	CT	6840 United States	7/2/2014 We adopted our beautiful and loving companion this year from the Stamford Shelter. She was there for over two months -- without NO KILL EQUATION we would have never met her -- the thought breaks my heart.
kathy mcshane	new canaan	CT	6840 United States	7/3/2014 These animals should be taken care of not killed. Elizabeth Cain	Newtown	CT	6470 United States	7/2/2014 I have seen the work Laurie does for the animals. I would hate to see a city like Stamford that is moving forward to become a kill center again. This is not good for anyone. The animals need her. I adopted a "wild" cat found injured on the streets from the Stamford Pound and he turned out to be - with lots of love and patience - the sweetest, most loving pet.. Everyone who works & volunteers there were wonderful to me

Beth Cuthbertson	Norwalk	CT	6854 United States	7/2/2014 Animals deserve to be safe and to be taken care of. We adopted our beloved AmStaff from SACC when he was 7 years old. Corinne Tyler	Norwalk	CT	6851 United States	7/2/2014 It is important that we find these animals good homes instead of killing them. Also it is important to implement spay and neuter to control animal populations overall. Pets should not be a disposable item in a throw away society
lauren collier	norwalk	CT	6851 United States	7/2/2014 Because killing innocent animals is WRONG! Shelters are supposed to protect and help not KILL...NO ONE benefits from a kill shelter NO ONE
Cindy Howe	Norwalk	CT	6855 United States	7/2/2014 Every stray, abandoned, surrendered animal deserves a chance to have a loving home. That's what Laurie Hollywood did. Shame on City of Stamford.

Nikki Perkins	Norwalk	CT	6850 United States	7/3/2014 Every animal deserves a chance at a new life. It's not their fault their humans failed them.
Karen Wiffen	Norwalk	CT	6854 United States	7/3/2014 Please bring back the most amazing, caring and dedicated animal control officer, Laurie Hollywood to the shelter that has survived only because of her expertise & love of saving all animals. The fact that the Stamford shelter is run in a progressive way, where animals are not destroyed simply because they don't appear adoptable ...is something that I brag about to people that live in other cities. It is harder to run
Greg Oneill	Norwalk	CT	6854 United States	7/3/2014 than a kill shelter. But it is worth it in terms of how we see ourselves as cartakers of animals. There is a reason I live in Stamford and not Bridgeport.

Hayley Morland	Norwalk,	CT	6854 United States	7/6/2014 We live in one of the wealthiest areas of the country. We should be able to find the funds to put this into practice. For Stamford, not having a No Kill shelter is not because they can't, it's because they don't care.
Sebastian W. Botta	Nrwalk	CT	6851 United States	7/3/2014 Our furry friends have just as much right to this earth as we do. Maybe more! George Wall	Waterbury	CT	6705 United States	7/4/2014 No animal should be killed !

					We are supposed to be a civilized society. Pets have a special place in our world and should not be disposed at will. I believe our state legislature just passed a bill that enables pet stores to show case shelter animals, hopefully limiting "backyard" puppy mills. Animal shelters help to find people to adopt pets. The facility should also be a welcoming place where classes can be taught on the care of pets before adoption. A town animal shelter should also offer dog obedience classes to enhance the adoption process. In a civilized society there is no place for kill shelters. The thought that this could happen sickens me. Pets bring so much to so many in our society. Pets are used to

					I lived in Stamford from 1992 - 2008 so I was there when it was the 'catch & kill' high-kill pound and there after Laurie came to town -- the differences were unbelievable! Pre-Laurie, it was AWFUL, INHUMANE, and I hated
